ServiceMaster of Hamilton

recognizes the contributions of

Lois Bakers

June 10, 2022 – Since joining ServiceMaster of Hamilton at the start of the year, Lois Bakers has quickly proven to be an integral part of our team. Lois is not just an *essential* employee for us, she is an **EVERYDAY HERO** to us for simply being who she is!

As one of our Cleaning Associates with our customer Amazon, Lois exemplifies that if you love what you do, the results of what you do will show! And Lois truly loves what she does! And we truly love Lois for it! The benefit? Our client's facility shines and we shine – all due to Lois's dedication to hard work and a love for what she does!

We are certain that we would not be as successful in what we do without Lois on our team!

*"Thank you, Lois, for your love of cleaning and simply just being you!
You are most certainly our **EVERYDAY HERO!**"*
