ServiceMaster of Guelph recognizes the contributions of **MARIA ASENCIO DE DIMAS**

June 8, 2021 – While Maria Asencio de Dimas has not been with ServiceMaster of Guelph for long, in only ten months, she has become an **EVERYDAY HERO** in our business for simply being who she is!

Maria is an exemplary person! Her work ethic is second to none from performing her tasks and duties with care and detail to always stepping forward to help whenever it is needed! Because Maria cares about what she does, the customers she helps us to serve like Strite Industries, Toyota Tsusho and Allianz reap the benefits.

We are certain that we would not be as successful in what we do without Maria! Her contributions are most definitely appreciated by everyone at ServiceMaster of Guelph!

*“Maria always does an AMAZING job!
Maria is not just a cleaner to us ... Maria is most certainly our **EVERYDAY HERO!**”*
