

FOR IMMEDIATE RELEASE

**ServiceMaster of Hamilton**  
recognizes the contributions of  
**Sarah Ganann**

**June 10, 2022** – While Sarah Ganann may not have been with ServiceMaster of Hamilton long, she has very quickly shown her strengths as a true leader as she outshines any challenge that has been thrown at her! This is why Sarah is not simply an *essential* employee to us, she is a true ambassador of our business and most definitely our **EVERYDAY HERO!**

As a Supervisor with our client, Amazon, Sarah, is always front and center with not just our associates in the facility but also with our client. Each and every day, Sarah not only shows up, but she shows up with a bright smile on her face! Sarah consistently shows her leadership skills by jumping in with her staff whenever and wherever she may be needed!

We are certain that we would not be as successful in what we do without Sarah!

*“Thank you, Sarah, for bringing your infectious smile to ServiceMaster!  
You are most certainly our **EVERYDAY HERO!**”*
