## ServiceMaster Clean of Halifax Region recognizes the contributions of **Meshack (Frank) Kadiata**

**September 29, 2023** – Since joining ServiceMaster Clean of Halifax Region, Meshack Kadiata, or as we know him, Frank, has become an indisputable key member of our team! Frank is not simply an essential employee for us, he is a true ambassador of our business and most definitely our **EVERYDAY HERO!**

This is not Frank's first stint with ServiceMaster Clean of Halifax Region as he took a sabbatical to relocate to Montreal to be with family. We were thrilled when he returned to Halifax and announced that he was eager to rejoin our team!

Frank's contributions to our ServiceMaster family are astounding! He's the first to step forward to work with any client in our roster, anywhere, anytime. He's

even willing to travel on multiple buses just to reach a worksite! He's keen to learn anything new so that he's equipped to do the best job he can. He even took the initiative to become certified with Worksite Safety's universal Fall Protection program (work at heights certification)!

Frank's constant smile and go get 'em attitude makes him a pleasure to be around. We are certain that we would not be as successful in what we do without Frank! This is why Frank is our **EVERYDAY HERO!**

*"Thank you, Frank, for everything you do and quite simply just being you!  
You are most certainly our **EVERYDAY HERO!**"*

**Keegan Colville**  
President
